This book is dedicated to my grandchildren,
Christopher, Camille, Skylar and Chase. You
all are beautiful, talented and uniquely made.
Remember to always use your talents for the
advancement of God's Kingdom. For it is through
you that God demonstrates His love for others. I
love you all to the moon and back - Mimi.

In urban communities, "Let him use you" is not an unusual phrase to hear, but oftentimes it's no more than a saying. Most people who use this phrase for effect, do not believe that God can really use them.

More often than not, their desire to be used by God is overshadowed by a negative self-image, derogatory opinions of others or lack of ability. The good news is, God specializes in transforming those individuals into great leaders of their time. Allow me to introduce a few to you.

PETER had a temper
but God used him.

He served as the head of the Apostles and was the first to perform a miracle.

JONAH ran from God. He was human and suffered from self-doubt, but God used him to demonstrate his mercy and love by preaching to others.

GIDEON was insecure, but God
used him as a mighty warrior.

He's known as the
reluctant warrior who
overcame doubt to
answer God's call.

MIRIAM was a gossip, but was chosen by God to be a prophetess. She led the Israelites in the "Song of the Sea" after Pharaoh's army was destroyed at the Sea of Reeds.

Through her we learn that a small act of bravery can change the course of our lives and the lives of others.

MARTHA was a worrier, but God
choose her as the patron saint of
servants and cooks.

She was the picture of hospitality and the recipient of a miracle from Jesus as she was the sister of Lazarus whom Jesus raised from the dead.

THOMAS was a doubter. He doubted the Resurrection of Jesus and demanded physical proof of the wounds of Christ's Crucifixion.

So, God made sure that he became
the first person to acknowledge
the divinity of Jesus. No more
“doubting Thomas.”

SARA was impatient but God changed her name and made her “a mother of nations.”

ELIJAH was moody yet used by God to resurrect the dead, bring down fire from the sky and to lead a school of prophets.

MOSES stuttered yet he led God's people
out of slavery in Egypt to the Promised Land.

God even gave him special powers to perform other acts of leadership.

ZACCHEUS was a short, dishonest man whose curiosity led him to Jesus and salvation. He also became one of Jesus' disciples.

ABRAHAM was old. God called him to leave his country and his people and journey to an undesignated land. He became the founder of a new nation and is seen as the "father of faith."

God used Peter, Jonah,
Gideon, Miriam, Martha,
Thomas, Sara, Elijah, Moses,
Zaccheus, Abraham and he
can use YOU too.
